## CARE & CLEANING

Resilience TX is the complete performance standard for upholstery textiles. Resilience TX fabrics are engineered with the proper combination of fiber, yarn structure, fabric construction, and finishing to make the material durable, even after years of use. Spot cleaning is always recommended. Prompt cleaning of stains will produce best results. Please follow the cleaning guide by type of stain. Regular Cleaning and Maintenance (Dirt, Dust, Grime) Regular vacuuming is recommended. Spot clean any soiled area with mild dish soap and water, then rinse with fresh water and pat dry with a clean, lint-free cloth. Food Stains / Oils (Ketchup, Chocolate, Coffee/Tea, Cola, Pasta Sauce/Gravy) Rub the affected area with a soft cloth or sponge using a 1:10 solution of dish soap and water. For stubborn stains follow up with a mild solution of Oxi-Clean™. Rinse with fresh water and pat dry with lint-free cloth.
